Beginning in the fall of 2010, the Flint Metro League used a jamboree schedule to determine its cross country champions and all-league performers. Three jamborees were held, with each of the first two counting 25% towards the final overall standings and the third jamboree counting 50%. All-league determination awarded points for the top 20 individual finishers in each jamboree, with the top eight overall from the three jamborees being named first team all-league and the next eight being named second team.

2010

Jamborees held at Kearsley-Armstrong Middle School, Springfield Oaks Park and Dutch Hollow Golf Course (Durand)

Boys
