Miscellaneous notes about the Metro League golf tournament

1. Golf was a spring sport from 1969-70 to 1970-71. The Metro had two boys' tournaments in 1971, one in the spring and one in the fall.
2. The Metro started using a preseason tournament in 1985. With the change from fall to spring golf for boys, the preseason tournament was dropped in 2007-08.
3. Swartz Creek returned to the Metro League in the fall of 2006 and won a share of the overall league championship. It was the Dragons first league title since they won three straight County B League crowns from 1965-67.
